

Saint Rock Haiti Foundation's ELB Ambassadors

The Saint Rock Haiti Foundation's Emerging Leader Board is seeking individuals to join our Ambassadors Group. Ambassadors are committed to furthering the mission of the Saint Rock Haiti Foundation by spreading the word about ELB events and volunteering with us to promote awareness and engage the community in supporting our mission.

Ways that Ambassadors can contribute to the organization include:

- Helping to spread the word about SRHF Emerging Leaders events and activities
- Be a voice for your peers to the Emerging Leaders Board and to SRHF, to help us offer you the right opportunities to contribute
- Stay up to date on SRHF news and new initiatives, and advocate within your community or corporation for the foundation's important work
- Follow and share SRHF content on your social media pages

Benefits of becoming a SRHF Ambassador include:

- Invitations to ELB sponsored events and volunteer opportunities
- Updates from the Board on the newest SRHF news and events
- Join a community of young professionals and gain access to both social and networking events in the greater Boston area
